Experience

Feb. 2019 – Present, Agile Project Manager
CSA360, Carmel, IN

Sole Agile Project Manager for design, development, and testing. Planned and implemented Agile and Scrum techniques in Jira with emphasis on empowering developers; improved efficiency by 35% within four months. Additionally coordinated communication between stakeholders and development teams, managed graphic assets, handled backlog prioritization, and managed customer success.

Dec. 2017 - Present, UI/UX Designer
Archon Tech Strategies, Carmel, IN

Designed and prototyped screens and branding for desktop and mobile projects. Used time management skills in short-deadline projects and worked directly with clients to define needs and goals.

Aug. 2016 – Mar. 2018, Creative Director
Communicode, Westfield, IN

Designed and developed responsive web pages, oversaw all visual productions. Collaborated in a dynamic team with varying backgrounds. Gave presentations to stakeholders on design progress.

Summer 2017, Design and Development Intern
Imavex, Fishers, IN

Designed and developed website templates; designed a “Digital Design Database” to address slow workflows and resolve communication breakdowns between developers and designers, specifically on low-budget projects.

Education

Savannah College of Art and Design (SCAD), Savannah, GA
B.F.A. Candidate, User Experience, June 2022
Minor, Graphic Design

Volunteering

SCAD Career Fair Lead Assistant
January 2020, Savannah, GA

Will lead a team of volunteers to assist companies and students during the SCAD Career Fair.

Girl Scouts

2006 – Present (Lifetime Member), Indianapolis, IN and Savannah, GA
Lead girls in meetings, organized camps, and planned and managed multiple events. Awarded Bronze and Silver awards.
